

## Troop 969 Shanghai – Personal Safety and Protection

Dear Troop 969 Parents,

The 2008 Boy Scouts of America Rank Requirements added an additional Second Class requirement.

Second Class Rank Requirement 8.b: Explain the three R's of personal safety and protection.

The Troop 969 Leadership feels that personal safety and protection is very important and will review the material with the entire Troop. We will use the **Boy Scouts of America** video, "A Time to Tell". The video presents a variety of situations that young people may encounter. The scenes stress the importance of the 3 R's (Recognizing, Resisting, and Reporting) of Youth Protection. The video is for teens presented by teens.

The video is comprised of 5 Sections (10 minutes each):

- 1 – Abuse by a Relative
- 2 – Abuse by a Youth Leader
- 3 – Abuse by Youth
- 4 – Internet Safety
- 5 – Bullying by Peers

The video depicts some drug and alcohol abuse.

This training is mandatory for all scouts who wish to participate in Troop 969. We welcome you to join us for the viewing and discussion of "A Time to Tell". Please contact Troop Leaders if you have any questions.

Please detach and return the information /consent slip below.
