San Lin Expo Garden Community Center Room 307

上海市浦东新区东书房路629弄8号

No.8, Lane 629 East Shu Fang Rd, Pudong Metro Line6 Gao Qing Road station. The location is not very close to a metro stop, you probably would want to take a taxi from the metro stop to the community center. See attached map for directions and metro stop location.

Time: Meet at lobby at 9:45 AM

End Time: All scouts must be picked up at lobby 12:00 noon

What to bring: Scout Handbook, pencil/pen

Cost: None

Scout Dress: Scout Class A Uniform.

Activity Plan: Community participants: 25 students (4th, 5th grader). The 25 will be divided into 2 or 3 groups and rotate every 20-30 minutes. One group will be doing a scout skill (haven't decided what yet), one will be reading book or teaching a song with the kids, and one will be doing a game such as Simon Says.

Note:

1. Community Service participation of some sort (approved by Scoutmaster) is required for advancement and eight hours with one organization is required for Citizenship in the Community Merit Badge.
2. We must have at least six scouts and 2 adults for this activity (no problem to have more).
3. This also counts as a Troop activity for rank advancement.

Please let me know if your scout plans to attend so to insure we have enough scout to support the program.

Yours In Scouting,

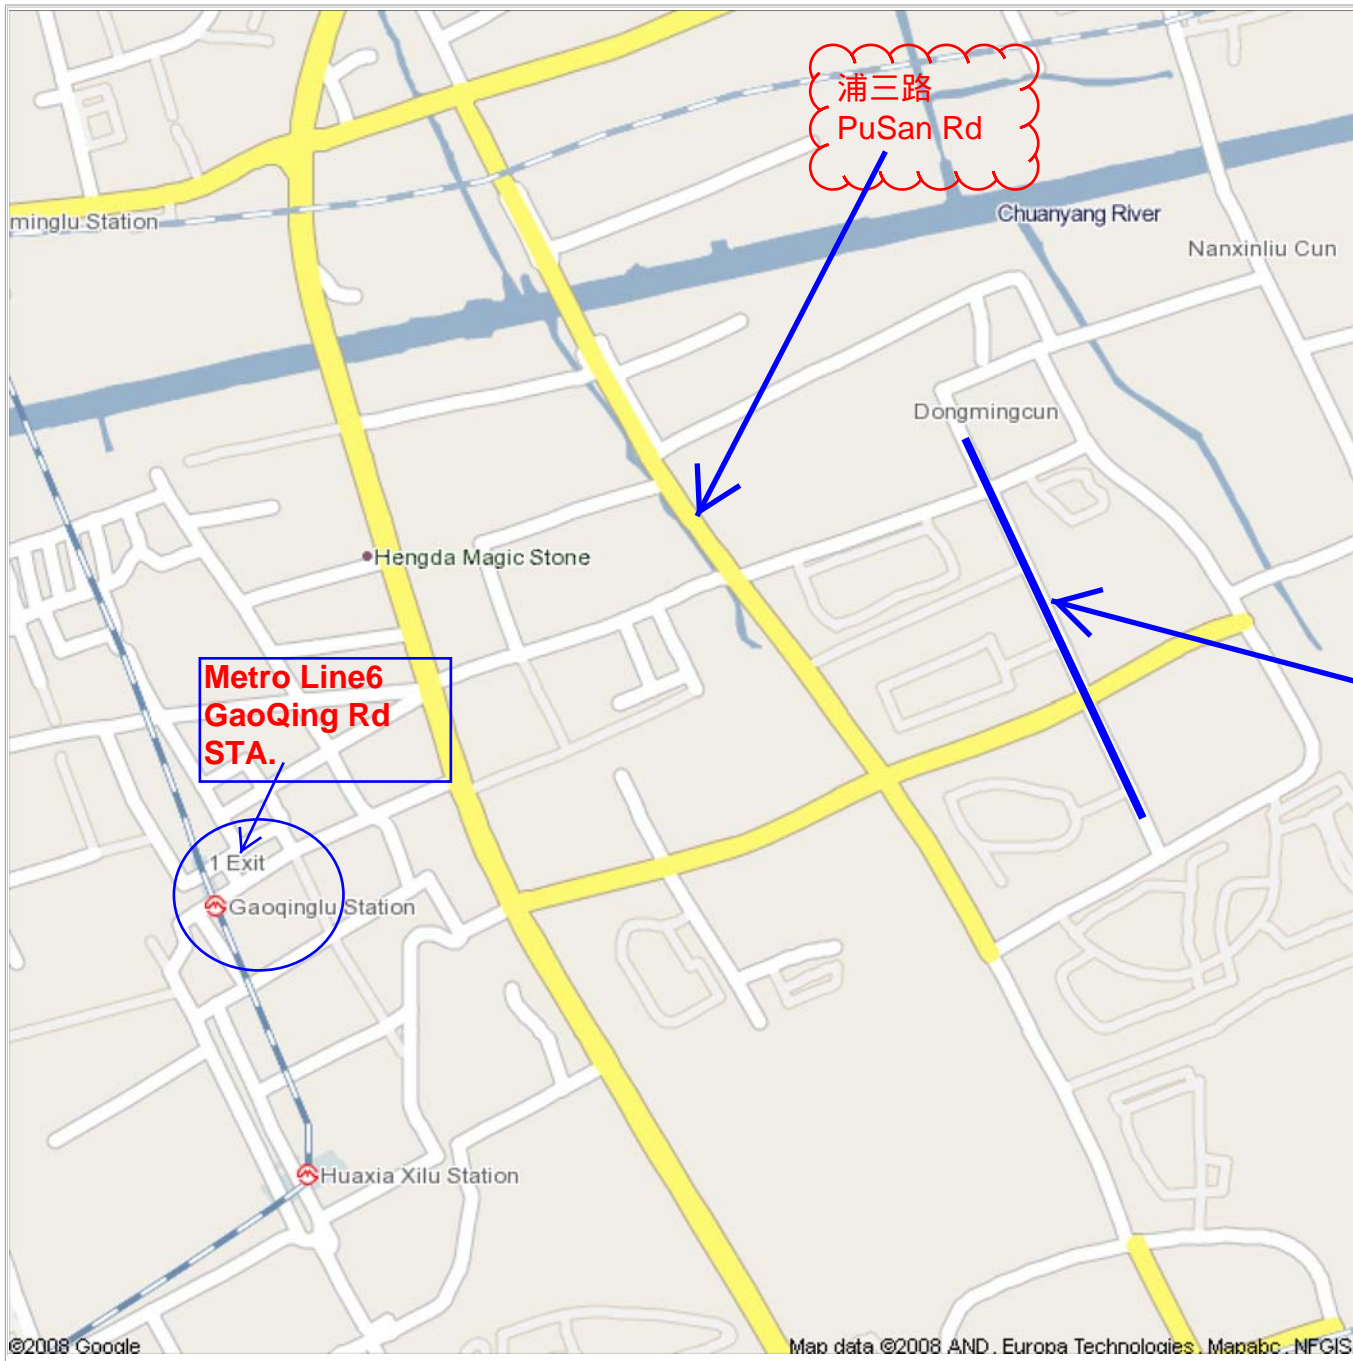

Tom Price
